[Midway Road Paving from Belt Line Road to Proton to Begin Next Week](#)

After several weather-related delays, the main lane paving of the Midway Road Revitalization Project from Belt Line Road to Proton Drive is scheduled to begin the week of February 13. Activities will include the fine grading and lime stabilization of the subgrade, installation of the reinforcing steel and joints, and finally the placement of the street pavement.

Franchise and private utility adjustments and sidewalk, trail, and accessible ramp construction continue from Spring Valley Road to Proton. New water and sanitary sewer lines as well as temporary traffic signal systems at intersections are being installed from Keller Springs Road to Belt Line. Drivers should pay close attention to the traffic control and lane assignments in this area and observe the location of signal heads and directional signage at the intersections.

You can watch the Behind-the-Scenes video to learn more about the project and phasing. You can register for Midway Road text updates by texting the word Midway to 888-777 or subscribe to email updates at www.Addisontexas.net/midway. Thank you for your patience as we strive to make Addison a better place to live, work, and play.
