Council Updates

Town Meetings Moved Back to the Conference Centre

More than 100 residents attended the April 3 Town Meeting at the Addison Conference Centre. Town meetings have been held in a local hotel since the pandemic and have now returned to their previous location. Council members provided updates on the Midway Road Revitalization Project, the Addison Airport, new businesses and restaurants, special events, area non-profits that provide services for residents, the Comprehensive Plan, and the Town's 70th anniversary. If you were unable to attend, you can watch the meeting [on the Town's website](#).

Upcoming Public Hearings

The following Public Hearings will take place at the City Council meeting on Tuesday, April 11 at the Addison TreeHouse. The meeting begins at 7:30pm but work sessions are frequently held before the regular session. The agenda is posted [on the Town's website](#) three days prior to the meeting.

Case 1876-SUP/14975 Quorum Drive (Residence Inn Addison). Hold a Public Hearing, Present, Discuss, and Consider Action on an Ordinance Approving a Special Use Permit (SUP) for Property Located at 14975 Quorum Drive, that is currently zoned Planned Development (PD), through Ordinance No. O84-100, to allow the Sale of Alcoholic Beverages for On-Premises Consumption.

Case 1878-SUP/15175 Quorum Drive (St. Martin's). Hold a Public Hearing, Present, Discuss, and Consider Action on an Ordinance Approving a Special Use Permit (SUP) for Property Located at 15175 Quorum Drive, that is currently zoned Planned Development (PD), through Ordinance Nos. O92-020 and O92-066, to allow a Restaurant with the Sale of Alcoholic Beverages for On-Premises Consumption.

Addison's Youth Recreation Program Standards of Care. Hold a Public Hearing, Present, Discuss, and Consider Action on an Ordinance Approving 2023 Standards of Care for the Town's Youth Recreation Programs.

Construction Corner

Midway Road Revitalization Update

Main lane construction along Midway Road is currently taking place at the north and south ends of the project limits. South of Belt Line Road, all traffic is anticipated to switch to the new southbound lanes later this month so work can begin on the northbound lanes between Proton Drive and Belt Line. Most of the utility work from Keller Springs Road to Dooley Road has been completed so crews have begun demolition and reconstruction of the main lanes in that area as well. The [video above](#) provides additional details on what is complete and what is to come.

Vitruvian Pond Pump Repairs To Take 2-3 Months

If you've visited Vitruvian Park lately, you may have noticed that the waterfall is not running. Unfortunately, the recirculation pumps in Vitruvian pond that pump the water for the fountains have failed and need to be replaced. The Town's installation contractor has indicated that because the lead time for receiving the pumps is approximately eight to ten weeks, repairs will take roughly two to three months.

In addition to powering the waterfall, the pumps recirculate water throughout the pond to aerate it and keep the water from becoming stagnant. Stagnant water can increase algae growth which creates ideal breeding conditions for mosquitoes. A lack of aeration can lead to an increase in ammonia levels which can potentially harm the natural wildlife in and around the water.

Thank you for your patience as we work to make these important repairs.

Around Town

Mayor Chow Pays a Visit to American Trailer World's Addison Headquarters

On Friday, March 31, Mayor Joe Chow and Economic Development & Tourism Director Orlando Campos met with American Trailer World (ATW) at their new headquarters on the 10th floor of Greenhill Tower. The Addison team thanked the company for its investment in the community and provided insight and updates on what is happening in town. Vice President of Human Resources Perry Gragg hosted the meeting and shared the company's excitement to be in Addison.

ATW manufactures industry-leading trailers, truck beds, and transportation equipment. The company produces eight different brands of trailers including BigTex Trailers, PJ Trailers, and Dakota Bodies, to name a few. They employ over 5,000 people throughout the United States and Mexico in 25 manufacturing facilities. In Addison, the company employs approximately 150 people and looks forward to being part of the community.

Many thanks to ATW for making Addison its home!

Clear Technologies Helps Clean Up Les Lacs Park

On March 30, Addison-based Clear Technologies volunteered to help clean up Les Lacs Park as part of Addison's corporate cleanup volunteer program. A big Addison Thank You to the team who dedicated their morning to beautifying Addison.

If you have a group that is interested in volunteering around town or at special events, please contact Addison's volunteer coordinator at volunteers@addisontx.gov.

Loro Asian Smokehouse Officially Opens

The Metrocrest Chamber of Commerce held an official ribbon-cutting ceremony for Loro

Asian Smokehouse on Tuesday, April 4. The day marked the five-year anniversary for the Austin-based concept that is the brainchild of Franklin Barbecue pitmaster Aaron Franklin and Uchi chef Tyson Cole. Council Members Darren Gardner and Eileen Resnik welcomed the restaurant team to Addison on behalf of the Town. Located at 14999 Montfort Drive on the former Flying Saucer site, Loro's Addison restaurant features an extended patio that will be one of the most popular places in Addison when the weather warms up.

Welcome to Addison, Loro!

Galaxy Celebrates Grand Opening

Addison Airport's third fixed base operation, Galaxy FBO, began operations in its new facility on Addison Road across from Addison Circle Park in November. On Wednesday, April 5, it celebrated its new location with a Metrocrest Chamber of Commerce ribbon-cutting ceremony. Mayor Joe Chow, Mayor Pro Tempore Kathryn Wheeler, and Council Members Darren Gardner, Eileen Resnik, and Guillermo Quintanilla joined Town and Chamber staff in welcoming Galaxy to Addison.

Galaxy's new home features a single-story, 13,000-square-foot terminal with passenger lounge, crew lounge with snooze room and showers, six-seat and 12-seat conference rooms, vehicle garage, crew car, and on-site car rental, plus 109,000 square feet of hangar space. Its office space is 100% leased already and hangar space is almost 100% leased.

Welcome to Addison, Galaxy!

Saying Goodbye is Hard to Do

On Thursday, March 31, Municipal Court Administrator Paula Dale retired after 27 years of service. Mayor Joe Chow joined Judge Larry Dwight and the Court staff in thanking Paula for her dedication to the Addison community.

Free Mosquito Dunks and Repellant Available at Athletic Club and Town Hall Beginning April 10

To help Addison residents reduce the number of mosquitoes, and to protect themselves from mosquitoes, the Town of Addison Environmental Health Division is giving away free Mosquito Dunks and Mosquito Repellant to Addison residents. Both products will be available while supply lasts at the Addison Athletic Center and at Addison Town Hall beginning Monday, April 10. There is a limit of two packages of dunks and one repellant per household.

Mosquito Dunks® are small, donut-shaped objects that float on the surface of the water and release bacteria that kill mosquito larvae in the water before they become adults. A single dunk will treat an area of about 100 square feet. It is important to know the approximate dimensions of your area to ensure that you get the proper number of dunks for effective treatment.

Mosquito Repellant helps avoid mosquito bites while outdoors. Always follow the label

Summer Camp Registration Begins on April 10

Summer Camp 2023

Spend the summer with Addison Parks & Recreation!
Featuring special guests, swimming, gym time, Les Lacs
Park, crafts and so much more!
