## CHAPTER ONE - EXECUTIVE SUMMARY

### 1.1 INTRODUCTION

The Town of Addison's Athletic Club (AAC), located at 3900 Beltway Drive, offers a variety of opportunities for its 3,500 members. The AAC is a 55,000 square foot facility that opened in March of 1987. The Town of Addison desired a feasibility study for the expansion/renovation of the AAC that would include additional programming space, an increase in the square footage of the weight/fitness area, more exercise rooms, new welcome desk/lounge space, and updated locker room facilities. Currently, the Athletic Club offers the following components:

- Fitness room includes weight machines, treadmills, stair climbers, bikes, elliptical machines and free weights
- Classes for adults including fitness, dance, specialty camps, yoga, racquetball, and crafts
- One full-size gym
- Four racquetball courts
- Personal Trainers
- 1/17 mile indoor running/walking track
- Multi-purpose classroom
- Lounge /coffee bar
- Child watch
- Indoor and outdoor aquatics

### 1.2 PROJECT HISTORY

Over the past year, a committee of Council Liaisons, residents and club instructors have worked with a local architecture firm to develop a new master plan for the Addison Athletic Club.

In December 2014 Addison residents were engaged through surveys and focus group to gain as much feedback as possible for the start of a Master Plan for the 29 year old Addison Athletic Club. In January 2015 an 11-member Master Plan Committee made up of two Council liaisons, seven club members, one club instructor, and one club member/Addison employee were selected. Together with BRS Architecture representatives, the committee held a series of four charrette workshops to develop the recommended elements of the master plan including:

- 5,400 square feet of new programming space
- Updated HVAC system to reduce maintenance costs
- Welcoming lobby and upgraded interior appearance
- Large flexible spaces to adapt to fitness trends
- Flexible locker rooms that support families, seniors and special needs

### 1.3 PROJECT PROCESS

The diagram below illustrates how this planning process progressed to determine the recommendations included in this report for the Addison Athletic Club Master Plan:

In July 2016 The Town of Addison initiated an on-line survey as well as three community meetings held at the Athletic Club to determine which elements of the committee’s findings were the most desired and gauge the community’s interest in funding the recommended improvements identified by the previous committee. The top four priorities identified in the community responses are:

- 1. HVAC (Heating, Ventilation & Air Conditioning) replacement and upgrades**  
Includes new equipment and ductwork as needed
- 2. Lobby/Core Building improvements** - New welcome desk, permanent transition of two racquetball courts to exercise space
- 3. Gymnasium and Track improvements** - new lighting, wall finishes, new track surface and new guard rail to meet the current codes
- 4. Locker Room renovations** - updating and bringing the locker rooms into accessibility compliance with the Texas Accessibility Standards. Improvement will include new floor and wall finishes, updated lighting, new lockers and fixtures

The complete results of the survey and community findings are detailed in Section 2.3.

## CHAPTER TWO - COMMUNITY INPUT SUMMARY

### 2.1 PUBLIC PARTICIPATION PROCESS

As part of the Master Plan Update, there was extensive public input and participation in July 2016. The on-line survey was launched beginning July 13 through July 25, 2016. In addition to the on-line survey, three community meetings were held at the Athletic Club on July 13, July 16 and July 20, 2016.

A brief presentation outlining the results of the Phase 1 study and a review of the recommendations of the committee were presented. Attendees could ask questions or make comments on the presentation and express their interest in the proposed improvements.

Display boards were set up to help indicate the level of improvements proposed along with images of similar types of facilities displayed to help members identify the concept of the proposed changes. At each meeting, the members were also given the opportunity to fill out the survey form on-line or by paper copy. The results of the survey are in Appendix 1.

### 2.2 CURRENT RECREATION TRENDS

The current facility offers a variety of activities to address the needs of the community. Currently the biggest trends in recreation facilities are:

- **Adult fitness programming**
- **Indoor walking tracks**
- **Leisure water**
- **Therapeutic water**
- **Gymnasiums**

The current AAC provides space for the most of the popular activities trends. The one exception is adequate adult exercise space. During the phase one study several areas were identified as possible areas to expand current programming options with more flexibility. One of these changes has taken place through the re-use of existing racquetball courts to provide more exercise space. A recommendation of this study is to make this change in a permanent way.

### 2.3 SURVEY RESULTS

**A total of 399 responses were submitted and analyzed.**

- Almost 99% of the respondents are current members of the Athletic Club.
- 55% of all survey respondents regularly visited the facility as least 12 times per month.
- Almost 2/3 of the respondents are age 50 or older.
- 54% of the respondents are female and 46% are male.
- **94%** of the respondents ranked the proposed improvements with the top four in following priority:
  - 1. Replace the Heating and Air Conditioning system**
  - 2. Lobby / Core Building Improvements**
  - 3. Gymnasium & Track Upgrades**
  - 4. Locker Room Upgrades**

## 2016 Athletic Club Master Plan

Please rank the Master Plan components. (Refer to slides 7-16) Dollar figures are estimates only. 1=Highest Priority

Answer Options	1	2	3
HVAC (Heating Ventilating, Air Conditioning) (\$616,000)	214	34	19
Lobby/Core Building (\$2,734,600)	23	66	30
Gymnasium & Track (\$588,000)	25	49	49
Locker Rooms/Changing Suites (\$1,028,500)	36	36	43
Multi-Use Room (\$51,000)	11	34	44
Indoor Pool Upgrades (\$230,500)	17	33	41
New Indoor Spa (\$181,000)	13	29	37
Outdoor Pool Shade Structure & Patio (\$226,000)	19	28	43

In addition to the priorities for proposed improvements, the survey responses also indicated the following:

- **51%** of the respondents indicated they would be willing to consider an increase in membership fees to support the improvements.
- Almost **80%** of the respondents indicated they would NOT support a tax increase to fund the improvements.

Based on the community meetings input, the following items were noted:

- There is a demand for keeping some racquetball courts.
- A vocal desire to keep the steam/sauna facilities although the maintenance upkeep is high averaging \$2,500/year for repairs.
- More exercise room space is needed to offer varied programming.

The complete survey results are located in the Appendix 1 this report.

### 2.4 CURRENT ATHLETIC CLUB FEE STRUCTURE

As a part of the study process, membership fee structures of similar facilities across the metroplex were studied to compare with the current AAC fee structure. Currently members of the Addison Athletic Club are required to register and pay a one-time fee of \$10.00. There is no fee for renewal of the yearly membership. This fee arrangement is unique to the Town of Addison as other surrounding communities charge a monthly or yearly fee based on the type of membership offered.

#### Examples of surrounding community annual fee structure:

Coppell	Family - \$500; Individual - \$250
Plano	Family - \$700; Individual - \$228
Grapevine	Family - \$300; Individual - \$120
Frisco	Family - \$900; Individual - \$530

## CHAPTER THREE – CORE PROGRAMS

### 3.1 EXISTING PROGRAMS - AMENITIES

Core programs include the essential program areas that the Athletic Club currently offers. These programs fulfill a large number community needs, and have proven popular over the years.

- Limited group exercise space
- Basketball
- Racquetball
- Cardio/weight room/Circuit training
- Spin bikes
- Personal training
- Senior programming
- Yoga
- Indoor and outdoor aquatics
- Walking / Jogging track
- Meeting rooms
- Locker rooms
- Sauna and steam rooms

### 3.2 FUTURE PROGRAM OPPORTUNITIES - AMENITIES

Based on comments heard at the community meetings and in addition to the program options above, the proposed improvements will allow for the following:

- Additional group aerobic exercise space
- Small group exercise space
- Enhanced meeting room and social space
- Improved accessible locker room/family change room
- New welcome desk and visibility

## CHAPTER FOUR – CONCEPT DESIGN AND DEVELOPMENT

### 4.1 PROJECT DESCRIPTION

Based on the top priorities from the community input sessions, the conceptual design of the Addison Athletic Center Renovation centers around the top four elements identified by the survey results. The design envisions the renovation to be limited to the spaces most important to the members of the club.

- First on the list of priorities is replacement of the existing HVAC system in the original building and the addition. This item was identified by 62% of the respondents as being either the 1<sup>st</sup> or 2<sup>nd</sup> highest priority.
- The second most identified element was the updating of the lobby and core of the building. This will include not only new finishes on the walls and floors, but updated welcome desk and lighting.
- Third on the list was updating the gymnasium and track, to include new lighting, wall finishes, new track surface and new guard rail to meet the current codes.
- Also in the top four is updating and bringing the locker rooms into accessibility compliance with the Texas Accessibility Standards. Improvement will include new floor and wall finishes, updated lighting, new lockers and fixtures.

In addition to the priorities listed above, this report also includes changes to the facility required to make necessary accessibility modifications to comply with current codes. The phase one study identified several areas within the AAC that do not meet current accessible requirements. Most of these deficiencies will be addressed as modifications to different areas of the facility are completed. At the completion of all future work, a review by an outside agency will be required to assure compliance.

An Engineering Assessment and Master Plan conducted during the phase 1 study recommends replacement of the existing mechanical system due to the age of the current equipment. Also recommended is the proper sizing of equipment to help insure member comfort while using the facility. Currently several of the air conditioning components are undersized for the use of the space.

#### 4.2 BUILDING FLOOR PLANS

The existing and proposed floor plan views are below. The proposed plans are conceptual and were used to help develop project costs for the proposed improvements. Further refinement and detail will be developed once the project moves forward.

#### 4.3 SITE IMPROVEMENTS

Based on the site and building accessibility review report authorized during the Phase 1 master plan study, much of the needed site accessibility improvements have been completed prior to this master plan update.

The accessible route from the street to the building has been completed, as well as improvements to the accessible parking space route and access to the adjacent fire station cited in the report.

**CHAPTER FIVE - BUDGET**

**5.1 ESTIMATED COST OF IMPROVEMENTS**

The cost estimates listed below are provided using 2016 construction dollars. The estimates shown identify the top four priorities from the survey and community meetings. Annual inflation rates should be considered when the work is performed in the future. Since the first estimates were completed in 2015, the cost have escalated as shown below:

	<u>March 2015</u>	<u>Sept. 2016</u>
<b>Mechanical Systems Upgrades</b>	\$ 600,000	\$ 616,000
<b>Lobby/Core Building</b>	\$ 2,420,000	\$ 1,997,500
<b>Gymnasium and Track improvements</b>	\$ 520,000	\$ 385,120
<b>Locker Room Upgrades</b>	\$ 910,000	\$ 1,028,500

Construction costs have been consistently increasing for the last several years. This escalation was approximately 13% for the past year. These estimated costs should be updated to account for future escalation at a rate of 10% - 12% every year.

**The current budget request is for a total of \$ 841,000. This number includes the following costs:**

**Mechanical Systems: \$616,000** – HVAC only - Includes new equipment and ductwork throughout the existing facility. Upgrading of the equipment for better efficiency and comfort throughout the facility. The replacement equipment will be designed to handle the proposed changes to the existing plans. The estimated time to complete entire system replacement is five months.

**Elevator: \$80,000** - Replacement of the existing almost 30 year old elevator. The estimated time to replace the existing elevator once new equipment is on site is 45 days once equipment is on site.

**Painting: \$75,000** - Selective interior painting of the existing facility. This amount is budgeted for the coming fiscal year and the location of the areas to be painted will be determined based on need. The estimated time to phase the painting in selected areas of the facility is two months.

**Flooring: \$70,000** - Replacement of the existing flooring in selected areas. This amount is budgeted for the coming fiscal year and the location of the areas to receive new flooring will be determined based on need. Coordination will be addressed based on future use of the spaces as well. The estimated time to phase the painting in selected areas of the facility is two months.

**Future considerations not addressed in the budgets listed above but recommended for interior improvements to the facility and their associated costs:**

**Lobby/Core Building improvements - \$1,997,500** - New welcome desk; transition of two racquetball courts into permanent exercise space; new flooring; updated paint palette; improved coffee bar area; improved acoustics; additional 2<sup>nd</sup> floor exercise space. ## 5.2 PHASING OF THE WORK

During the discussions at the community meetings, concerns were raised about closing the Athletic Club during the periods when construction activities are taking place. Phasing of the work has been discussed where only portions of the facility would have to close to perform the work, while keeping the majority of the facility open and operational. Safety of club members will be the primary determining factor when choosing to close some of the facility for the improvements.

If the work is phased, the overall time to complete the work will take longer, which also may result in higher construction costs. When a decision is made to move forward with any construction activity, careful consideration will be given to the feasibility to phase the work so members can continue to utilize the facility.

## 2016 Athletic Club Master Plan

70	Nothing really! Athletic center as it stands is one of the best in the area...we do not need a country club athletic center. We own (6) homes in Addison and our property taxes have gone through the roof due to unnecessary showy projects but less police protection seen in our area, weeds growing so high behind our properties on Addison property we have to call several times several times, as we do for brush,limbs pickup....seems to be less service and more glitz these days. Have been a home owner since mid 80's and our roads have never been t this bad and you are talking about upgrading a rec center.....not a smart move....get your proprieties right.	7/22/2016 8:58 AM
71	Increasing class room space	7/22/2016 8:54 AM
72	Refresh of some of the outdated parts of the Addison Athletic Club.	7/22/2016 8:52 AM
73	New spa, dedicated yoga space and concept of 2nd floor above existing racquetball courts and lobby (with caveat of keeping one racquetball court).	7/22/2016 8:48 AM
74	I use the club approximately 3 times per week. The men's showers, restrooms, and sink areas are so out of date and unclean. I'd like to see this as a priority.	7/22/2016 8:48 AM

Therefore we are constantly having to interrupt staff members and request to use the employee/childcare bathroom. I love the multi-purpose room because it provides an area for school aged children. 7	1)overall plan is too expensive and wasteful. It does not appear any attempt was made to use building, as configured to keep reno costs down 2) private offices for staff and trainers 3) family locker rooms, and larger childcare area 4) game room, lounge & cafe - completely unnecessary and this space is several times larger than yoga room 5) the addition of 50 NEW pieces of equipment... are you kidding??? Why when most equipment sits idle all day! 6) the entire new annex was added several years back, now even more equipment is encroaching into the lobby area for the men. And yet, the exercise classes heavily used by women members continue to get no relief! 7) I do not understand why any thought would be given to spending more money on the outdoor pool, when it is only used 25% of the year (more poor planning by prior city manager). The ducks get more use out of it than then members. 8) I actually am strongly opposed to ALL upgrades, except the HVAC, but the survey would not let me reflect that answer. Survey seems to be designed to make you say you support something when if fact, I do not. Same applies to Quest #11, my answer is definitely no to both, but survey would not allow me to give same answer on both questions. Online survey does not allow residents to give answers they want.	7/23/2016 5:25 PM
8	Pool upgrades (especially indoor) & locker room.	7/23/2016 4:54 PM
9	I don't think the aesthetic upgrades are necessary. Keep it fiscal. Do not take all the racquetball courts. Keep 2.	7/23/2016 2:44 PM
10	Very costly. I would be strongly opposed to anything which might cause annual fees or added taxes. The current club design is functional.	7/23/2016 2:37 PM

## 2016 Athletic Club Master Plan

44	Why eliminate racquetball courts	7/22/2016 11:16 AM
45	I come to addison to visit a friend and sometime we play racquetball and I enjoy it very much. I would be disappointed if that went away	7/22/2016 10:54 AM

## 2016 Athletic Club Master Plan

65	All the other recommended changes. No pressing need to 'upgrade' or change existing facilities. Definitely don't change the current locker rooms.	7/22/2016 9:28 AM

71	Removal of the steam rooms.	7/22/2016 9:06 AM
72	I don't really use the cafe or lounge but I think it's for children's programs in the Summer. I feel like they are right in the middle of the building. I don't like that we are getting rid of the racquetball courts/current multi-space rooms that include free weights and other exercise equipment. There is not enough space to lift upstairs.	7/22/2016 9:04 AM
73	removing racquetball court	7/22/2016 9:01 AM
74	Eliminating steam TMS,saunas,racquetball courts, lobby is perfectly fine as is.....if Addison has so much money spend it on midway road which is a mess and has been promised for years..seems like money is spent on show rather than needed repair projects these past few years	7/22/2016 8:58 AM
75	Locker rooms	7/22/2016 8:54 AM
76	Overall cost. Eliminating steam room, sauna and all racquetball courts! Expanding inside pool deck. See additional comments below under question 10.	7/22/2016 8:48 AM
77	elimination of racquetball courts	7/22/2016 8:13 AM
78	I do not understand the whole lobby renovation. While it is beautiful, that is a large sum of money to spend for something that is not a problem. The utilization of the club will not be enhanced because of this change, and from what I see you are eliminating the racquetball courts.	7/22/2016 8:13 AM

172	Inefficient re-layout of locker room space. Two busy locker rooms are crammed into the space of one, and the other space (currently men's locker room) is very low density, a few individual rooms. With growing membership, this seems the wrong direction. The small amount of space recovered from the sauna doesn't make up for halving the locker room size.	7/20/2016 12:53 PM

206	Gym,but I don't use it	7/19/2016 10:30 AM
207	lesser racquet ball rooms	7/19/2016 9:30 AM
208	The reduction of locker room space. The loose of the racquetball courts, they are used by Addison firemen. Why would any good athletic club have no steam rooms or saunas?	7/19/2016 6:24 AM

## 2016 Athletic Club Master Plan

209	While it's time for a renovation, this goes too far and is much too expensive. I would encourage a thriftier way when it comes to tax dollars.	7/18/2016 11:55 PM
210	The lobby is a bit dated but looks ok.	7/18/2016 11:00 PM
211	Eliminating the STEAM ROOMS, at least keep a WET steam room. Both steam rooms are used by many. One of the BEST part of the gym. Redoing the dressing rooms is a WASTE of money. They were redone 3 yrs ago. Why getting rid of STEAM ROOM???? Can't they build family changing room some where else. Lots of upheaval and MONEY to accommodate the family changing room bit when club MAINLY used by adults.	7/18/2016 9:34 PM

## 2016 Athletic Club Master Plan

246	First floor redesign is less about fitness and more about staff and sitting around. The locker rooms look smaller. I see people using the racquetball courts all of the time and you're proposing eliminating all of them (a fitness activity) to add a café?!!	7/18/2016 1:41 PM
247	n/a it all looks great.	7/18/2016 1:36 PM

282	Pools inside and out	7/15/2016 9:27 PM

## 2016 Athletic Club Master Plan

283	1. I don't see ANY racquetball courts in the new plan. 2. Seems like kind overkill for a community athletic center. That money that could be spent elsewhere in the city.	7/15/2016 6:49 PM
284	My least favorite part of the new Master Plan involves the diminishing of the locker rooms. I understand that the locker rooms are not heavily used now, but that is largely because they are dated, so residents avoid them. I also think it is poor planning to allocate so much space to "Family Lockers" at the expense of Mens and Ladies. We all understand that parents with little ones need a place to take care of business, but children are only at the athletic center for occasional camps and babysitting--they are not allowed on the exercise equipment, etc. Therefore, a couple of "Family" restroom stalls should suffice, and the additional locker room space should be allocated to the adults who are the primary users of the gym facilities and need to use locker room facilities to change clothes before/after work, and shower. I've never seen little ones changing out of their work clothes before hitting the treadmill. :)	7/15/2016 6:28 PM
285	none	7/15/2016 5:03 PM
286	elimination of racquetball courts	7/15/2016 4:43 PM
287	It is difficult to understand improvements to locker rooms ~ they look smaller and co-ed?	7/15/2016 4:37 PM
288	The loss of a racquetball court. The new Fitness connection on Trinity Mills built 2 in their space. It is still a relevant sport.	7/15/2016 4:35 PM
289	I do not like the idea of removing the steam rooms and saunas. I would like to see some funds diverted from the classroom upgrades or other areas to improve the steam rooms.	7/15/2016 4:29 PM
290	pool	7/15/2016 4:27 PM
291	I see no need to undertake this expense at this time. As it stands this is an excellent facility as it now exists.	7/14/2016 6:19 PM
292	Roof leaks not included. Not using the roof line in the front (columns) to expand the all-purpose room.	7/14/2016 5:00 PM
293	I never use the lock rooms since I'm local so hard to get excited about so much being spent there.	7/14/2016 2:11 PM
294	The huge expense of the Lobby/Core building modifications.	7/13/2016 5:21 PM
295	Cost	7/13/2016 4:24 PM
296	locker rooms.. I am there almost every day in the morning & again around 4pm & rarely are the steam & sauna rooms not in use... Every one uses them & to give them up for family style rooms which are a huge waste of space & a huge minus for many people.. Maybe 2 enclosed family style restrooms added to the downstairs somewhere would be helpful.	7/13/2016 4:20 PM
297	I don't do anything with the pool, so it's my least.	7/13/2016 3:20 PM
298	all others	7/13/2016 12:40 PM
299	Keep one racquetball court	7/13/2016 12:14 PM
300	lobby / core building	7/13/2016 12:13 PM
301	I cannot believe you are taking the last 2 racquetball courts out. You need to keep at least . Who was part if your focus group? A bunch of senior citizens who have no interest in-ball?	7/13/2016 11:59 AM
302	do we really need rooms for 50 more machines?	7/13/2016 11:48 AM
303	new indoor spa	7/13/2016 11:24 AM
304	It appears that outdoor pool users might be able to walk through/past the family-locker area to access the men's/women's lockers. If so, this seems to reduce the privacy/security that family-locker users need.	7/13/2016 11:13 AM
305	Lobby/Core	7/13/2016 10:08 AM
306	New indoor SPA	7/13/2016 9:54 AM

6	Steam room saunas and racquetball are all used daily and should be kept	7/23/2016 10:16 PM
7	I do not think any of the above should be completely eliminated if current adult members want them. The most pressing need is exercise studio space, which so far does not seem to be a priority. The current priority continues to be more rooms and exercise machines that benefit the male members.	7/23/2016 5:25 PM
8	I would greatly miss the steam sauna, but do understand that the cost for upkeep is considerable.	7/23/2016 4:54 PM
9	Not sure if I saw that a free weights section was part of the presentation.. Free weights would be nice.	7/23/2016 2:44 PM
10	Yes. Please retain the racquetball courts, sauna and steam rooms.	7/23/2016 2:37 PM
11	Add back the sauna	7/23/2016 11:10 AM
12	keeping at least one racquetball court	7/23/2016 10:27 AM
13	I don't really play racquetball, but I think you guys should keep the courts for the guys that do use them. 4 courts are probably too many, but I think I see people playing in both courts pretty consistently when I'm here after work, and I think it'd be a shame if they didn't have that anymore. Other guys I play basketball with agree.	7/22/2016 10:43 PM
14	I would like the steam rooms and saunas to remain	7/22/2016 10:11 PM
15	Racquetball court. Juice/smoothie/coffee bar or cart in reception area or outdoor court yard. More inviting or better use of outdoor areas around pool.	7/22/2016 10:07 PM

21	none should be included until put to vote by the club members and residents of Addison.	7/22/2016 4:22 PM
22	Replace door from indoor pool to lobby. It has huge gaps with cold air from the lobby streaming into the pool area and makes it impossible to use the indoor pool. Keep saunas and maintain sauna temperature (not about 90F as it is now). Keep reasonable temperature in the lobby and locker rooms, now it's like a meat locker. Keep outdoor pool open longer than just Memorial to Labor Day, we have good enough weather in April and October (lifeguards not necessary).	7/22/2016 4:01 PM
23	Steam rooms, saunas would be appropriate to keep, but if costs were considered high to support keeping them, then they shouldn't be kept.... A play area/small playground by swimming pool outside would be nice...	7/22/2016 3:35 PM
24	no	7/22/2016 2:54 PM

62	Racquetball courts need to be included. At least 1 or 2.	7/22/2016 9:05 AM
63	The multi purpose room is located in an awkward place. I'm assuming members can use this room for exercise? I would like to keep free space downstairs(old racket ball rooms) like we currently have for exercise. There's not enough space upstairs to lift freely and do push-ups all in the same space.	7/22/2016 9:04 AM

## 2016 Athletic Club Master Plan

67	Get a timer for the water features of the outdoor pool and keep the water features in use when the Athletic Club is in use. The view of the pool is one of the premier features of the athletic club. We need to keep the outdoor pool clean and looking great as it's a premium feature of the athletic club all year long.	7/22/2016 8:52 AM
68	Steam room, sauna and 1 racquetball court	7/22/2016 8:48 AM
69	Updated, upgraded bathrooms, showers, sink areas.	7/22/2016 8:48 AM

74	Additional outdoor tennis courts.	7/22/2016 7:50 AM
75	The track is getting too small as certain times of the day it can be very crowded. It will only get worse with the additional Addison residents. We should take the new residents into consideration now, so we don't have to put money back into things we have just changed. Let's get it right the first time.	7/22/2016 7:46 AM
76	Yes, instead of yoga room on the other side of child watch area, consider adding a fun/study room for kids over age 7. You could have desks, games, puzzles separated with child watch by glass or other transparent wall. This would give kids a safe area to hang out in. Other ways for the AAC to make money on building with upgrades might include : birthday parties, viewing area for firework viewing on roof.	7/22/2016 7:44 AM
77	I would recommend a juice/smoothie/nutrition bar/station. Not only would it be great for members to replenish after intense workouts, but could also be a revenue source, and social environment for members as well	7/22/2016 7:29 AM

## 2016 Athletic Club Master Plan

140	yes- the leaks in the roof/ceiling need repair. And the crazy weird shelves for the free weights need to be scrapped. they are a safety hazard	7/20/2016 2:50 PM
141	should be on rball court. Why update nice locker rooms and eliminate sauna/steam.	7/20/2016 2:45 PM
142	steam rooms and sauna should be reconsidered	7/20/2016 2:42 PM
143	better gym equipment	7/20/2016 2:38 PM
144	keep rball courts- this was a major reason why we joined. can't find these in many fitness centers.	7/20/2016 2:36 PM
145	rball courts should be available at and health club	7/20/2016 2:32 PM
146	rballX10	7/20/2016 2:22 PM
147	rball rooms and saunas should remain.	7/20/2016 2:20 PM
148	eliminating rball is a bad idea. Downsizing makes sense, but there are quite a few people who use them regularly.	7/20/2016 2:16 PM
149	keep rball	7/20/2016 2:14 PM
150	rball courts	7/20/2016 2:12 PM
151	rball courts	7/20/2016 2:10 PM
152	-focus should be using majority of AAC as designed -basket ball court has low usage. 50 percent of this space could be converted to 2 new exercise rooms.	7/20/2016 2:07 PM
153	Keep steam rooms	7/20/2016 1:57 PM
154	no...looks good	7/20/2016 1:48 PM
155	I see the racketball courts frequently in use. I don't personally use the courts, but it seems misguided to remove a popular function.	7/20/2016 12:53 PM
156	Storage in all the multipurpose rooms and storage at the tennis court.	7/20/2016 12:23 PM
157	keep steam rooms	7/20/2016 12:08 PM
158	There is no place for children age 7 and up. The child center doesn't allow them, but cannot go into gym until they are a teenager. Can there be a room attached or enclosed area to kid center for that age group to do activities (play Wii, puzzles, board games, books, legos, etc)/still be supervised by the care giver.	7/20/2016 12:04 PM

Can there be a room attached or enclosed area to kid center for that age group to do activities (play Wii, puzzles, board games, books, legos, etc)/still be supervised by the care giver.	7/20/2016 12:00 PM
160	repurpose 50-100 percent of basketball courts to exercise rooms as the wood flooring is already there. Just add walls and mirrors. one racquetball court could be a exercise studio.	7/20/2016 10:51 AM
161	I would like to see at least a sauna and one racquetball court. Possibly access to a restroom and rinse off station for people using the volleyball, basketball and tennis courts- Also if lights could be added on the poles to the lights to the tennis courts facing the sand volleyball courts so there is at least one court lit until 10 PM	7/20/2016 10:40 AM
162	a. these options are used by many adults and better use of space than a game room or enlarged day care! b. why not look at basketball courts?	7/20/2016 10:34 AM

166	individual TV's on each cardio machine	7/20/2016 8:46 AM
167	yes, the dry sauna and steam room need to be kept!. However, only 1 racquetball court is needed. As I said in the forum, the men's showers are prison showers out of code, yet not specifics were given. There should be individual stalls which accommodate privacy. This is one reason I don't work out there more. In addition, the towel service should be either complimentary or an upgraded charge for members who wish to pay annually should be allowed. Other amenities should be part of the locker rooms also lotion, Q-tips, combs, mouthwash, etc, out by the "grooming stations". Locker rooms should be a "high" priority not moderate.	7/20/2016 12:16 AM
168	None	7/19/2016 8:42 PM

253	Desks/homework stations and a more permanent children's library/bookcase.	7/16/2016 11:27 AM
254	No. I think the plan is extremely thorough and comprehensive.	7/16/2016 11:04 AM
255	Any way to fit in 2 racquet ball courts? They seem well used. We have fun playing in one occasionally.	7/16/2016 10:41 AM

257	racquetball courts, Steam room	7/16/2016 9:58 AM
258	need dry sauna	7/16/2016 9:56 AM
259	Racquetball courts seem pretty important. Our family has used them frequently. We could also stand to make our weight room more robust. I think that's why more ppl don't use the facilities.	7/16/2016 9:46 AM
260	Looks good	7/16/2016 8:49 AM
261	Improved technology to update membership and prove Addison citizenship. Antiquated to have to bring in a bill with mailing address.	7/15/2016 9:31 PM
262	No	7/15/2016 9:27 PM
263	Racquetball Courts!	7/15/2016 6:49 PM
264	I absolutely think the steam and saunas should be reinstated. It's difficult to lose amenities in a makeover, but we all understand that is necessary to some extent. Given the space the racquetball courts require, it's a painful, but fair, tradeoff. However, removing the steam and saunas is moving backward--there is even more evidence now of the health benefits of steam and sauna, and the higher end athletic centers (which AAC should be) have these amenities. The health benefits (see: <a href="http://www.huffingtonpost.com/entry/saunas-might-be-good-for-_n_6736242">http://www.huffingtonpost.com/entry/saunas-might-be-good-for-_n_6736242</a> ) are also why many stand alone sauna and steam spas are opening. I understand they are difficult to maintain and keep clean, but so are the two pools and the spa. Please reconsider the elimination of the steam and sauna.	7/15/2016 6:28 PM
265	If not in the plan, an additional group exercise room.	7/15/2016 6:10 PM
266	Racquetball courts.	7/15/2016 4:43 PM
267	Maybe offer personal trainers who would share 50% of their charges with the club. Update/clean day care area for those who wish to have care givers for their little children while they work out.	7/15/2016 4:37 PM
268	Yes, I would like to see space created for a cardio cinema. Gold's Gym and Fitness Connection have them. It is a great way to workout and not realize how long you have been there!	7/15/2016 4:35 PM
269	See above concerning the saunas	7/15/2016 4:29 PM
270	Those necessary maintenance items such as the A/C, Heating and Ventilating. Other maintenance as occasional painting, etc., to keep the facility fresh and desirable. .	7/14/2016 6:19 PM
271	At least one raq.court	7/14/2016 5:00 PM
272	Not really. For me it's more about the variety and affordability of the class offerings. Would be nice to have an area for more social gatherings/food/beverage but perhaps that's included.	7/14/2016 2:11 PM
273	I think potential uses for the spaces should be included, I would hope that after the renovation there would be an increase in children classes and programming, after school basketball classes, tennis classes, soccer classes...more options for group or private swimming lessons(I have been trying for a year to have private lessons with the contact listed at the club, her schedule never works with my children's...maybe there could be more people offering lessons.	7/13/2016 5:32 PM
274	Aren't there some members who use the racquetball courts? You might leave one or two courts.	7/13/2016 5:21 PM
275	A water fountain should be added to the far end of the weight room. Add a dip/pull-up assist machine to the weight area.	7/13/2016 4:24 PM
276	we should retain the steam & sauna... these are in use all the time... I hear the same from the men... They are a huge PLUS to the club.	7/13/2016 4:20 PM

## 2016 Athletic Club Master Plan

277	Can't think of anything, since I workout w/trainer.	7/13/2016 3:20 PM
278	A theatre for presentations and family movie night Party room Childcare separated for older kids	7/13/2016 12:14 PM
279	Keep a Racquetball court	7/13/2016 11:59 AM
280	More activities for Seniors	7/13/2016 11:48 AM
281	The plan "as is" appears to include increased security for childwatch area. Great! Perhaps a two-phase entry with a locked second door would increase security. Also, childwatch area should have separation of spaces for babies/toddlers and older kids.	7/13/2016 11:24 AM
282	maybe keep at least 1 racquetball court	7/13/2016 11:13 AM
283	Why eliminate these?	7/13/2016 10:08 AM
284	Small towels in workout area to use to cover machines from sweat...put in basket at end of workout.	7/13/2016 9:54 AM

5	1) private offices for the staff and trainers. This is completely unnecessary. Except for Randy, cubicles are fine. In business world, only directors and higher get a private office. 2) expanded childcare - it is not the Town's or taxpayers responsibility to provide free childcare all day long. The ACC was designed to be ADULT centered facility and should remain so. If you try and turn it in to child focus rec center, I will stop coming. Kids are not allowed in exercise areas until 15 yrs of age. M-F they run wild in the lobby area and noise is awful!	7/23/2016 5:25 PM

44	Classrooms and bigger daycare.	7/22/2016 9:31 AM
45	Expanding the exercise areas, renovating lobby space, relocating admin. offices, and doing anything in the track and gymnasium should not be in the plan. The current space is adequate for the amount of usage it gets.	7/22/2016 9:28 AM
46	Do we really need to do anything to the indoor track	7/22/2016 9:24 AM
47	All of it	7/22/2016 9:22 AM
48	probably don't need family changing/locker rooms	7/22/2016 9:18 AM
49	Removal of the steam rooms.	7/22/2016 9:06 AM
50	I had no idea we had a library. Is this for members? If not, I don't think it's really necessary to have a library in a fitness facility.	7/22/2016 9:04 AM
51	Whole plan should be voted down	7/22/2016 8:58 AM
52	no	7/22/2016 8:54 AM
53	Eliminate second classroom, reduce the amount of admin space and eliminate dedicated game area. Eliminate lounge space in locker room. Reduce number of family changing rooms (note: I have two children and believe two changing rooms - one in each locker room is sufficient).	7/22/2016 8:48 AM
54	I'm happy with the current locker rooms but I do understand that others may need an upgrade.	7/22/2016 8:24 AM
55	elimination of racquetball courts	7/22/2016 8:13 AM

57	Why would you eliminate racquetball, Diana's, and steam rooms?	7/22/2016 8:13 AM
58	Saunas	7/22/2016 8:12 AM
59	We don't need a library, as Addison resident we have access to other real library in the area. We don't need a dedicated yoga room, any room can serve as a yoga room.	7/22/2016 7:50 AM
60	Does anyone use the indoor spa?	7/22/2016 7:46 AM
61	Racquetball court removal. Please consider leaving one or 2 courts.	7/22/2016 7:44 AM
62	No	7/22/2016 7:29 AM
63	No	7/22/2016 7:24 AM

65	Family changing suites, the several extra multi-purpose rooms and the lounge area in the entrance.	7/21/2016 11:22 PM
66	The track and gym looked fine to me. We have a shade pool at our apartment. Unless you hear it...too cold.	7/21/2016 10:32 PM
67	do not remove steam and sauna from locker rooms	7/21/2016 6:53 PM

84	no	7/21/2016 2:46 PM
85	everything I ranked with an 8. A central desk is absolutely unnecessary. what we have works just fine.	7/21/2016 1:58 PM
86	cafe, etc... if this is to be a social club as opposed to "athletic club" change the name.	7/21/2016 1:53 PM
87	the front lobby is nice- doesn't need changing.	7/21/2016 1:49 PM
88	do we need all the classrooms	7/21/2016 1:45 PM
89	keep a few racquetball courts, keep sauna and steam room.	7/21/2016 1:40 PM
90	I don't think we should spend so much on a new lobby area. This is not a resort and we're trying to impress people.	7/21/2016 1:34 PM
91	indoor space. do locker areas need to be so lage?	7/21/2016 1:12 PM
92	family locker rooms downsized!	7/21/2016 12:53 PM
93	I really don't get the need for family lockers rooms atleast so many. I use the lockers and showers when I come in, the new locker rooms seem cramped.	7/21/2016 12:48 PM
94	there are lots of whistles and bells, should be scaled down.	7/21/2016 12:25 PM

99	spa and locker room updates	7/21/2016 9:39 AM
100	Everything except HVAC upgrades.	7/21/2016 9:14 AM
101	Library. We could always use other city library. It's very convenient and multiple choices. It's too small in the new center. Also, do we need that much admin space?	7/21/2016 9:05 AM
102	Everything except A/C	7/20/2016 11:10 PM
103	Not sure the lobby needs that much expenditure (over 1/3 of the budget). It seems OK to me the way it is.	7/20/2016 10:53 PM
104	indoor spa	7/20/2016 7:28 PM
105	Removal of racquetball courts. We use it multiple times a week. Suggest that the removal of racquetball courts be excluded from the master plan.	7/20/2016 6:24 PM

## 2016 Athletic Club Master Plan

106	Spa	7/20/2016 3:44 PM
107	Game area	7/20/2016 3:26 PM
108	doesn't need to be ultra money for the lobby, seating, decorations, etc...	7/20/2016 3:05 PM
109	do maintenance only. no redo needed.	7/20/2016 3:01 PM
110	lots of things! why?!?! lets fix AC, heating, roo, maybe enlarge exercise rooms, make upstairs restrooms as family.	7/20/2016 3:00 PM

112	no	7/20/2016 2:55 PM

114	all	7/20/2016 2:50 PM
115	family locker rooms use same space as mens/womens combined... make smaller family locker rooms.	7/20/2016 2:45 PM
116	the locker rooms proposed are too small and should be reconsidered. It does not seem like very many people use indoor track.	7/20/2016 2:42 PM

118	ceiling fans 2nd floor	7/20/2016 2:33 PM
119	coffee bar	7/20/2016 2:32 PM
120	do we need all the extra admin space?	7/20/2016 2:22 PM
121	upgraded lobby and no more ping pong tables or upgraded expanded child care areas... REALLY?!	7/20/2016 2:20 PM
122	admin space is excessive.	7/20/2016 2:16 PM
123	keep rball	7/20/2016 2:14 PM
124	yes, keep rball courts	7/20/2016 2:12 PM

126	No	7/20/2016 1:57 PM
127	no	7/20/2016 1:48 PM
128	The locker room redesign needs to be examined closer and justified based on volumes of members served. The current plan appears to halve the locker room space at a fairly high expense (over \$1 million). The members using the specialize low density locker rooms won't offset much of the utilization of the half sized main locker rooms.	7/20/2016 12:53 PM
129	As I've listed above...ditch the gymnasium.	7/20/2016 12:12 PM
130	Unnecessary visuals like bannars and murals.	7/20/2016 12:04 PM
131	Unnecessary visuals like bannars and murals.	7/20/2016 12:00 PM

137	Most of it. No major changes are needed, just maintenance.	7/20/2016 8:46 AM
138	The cafe or lounge areas are not necessary or practical, especially with such limited space. The indoor area for lifeguards for reasons already stated.	7/20/2016 12:16 AM
139	None	7/19/2016 8:42 PM
140	I'd rather have these funds refunded to the tax payers than spent on renovation.	7/19/2016 8:25 PM
141	yoga room	7/19/2016 8:24 PM

## 2016 Athletic Club Master Plan

142	The multi purpose room takes up to much area, reduce and keep sauna and steam room	7/19/2016 6:48 PM
143	A lot of it. Don't need expanded fitness area on second floor taking away the charm of the current structure. Extravagant locker room/changing facilities. Put in one family changing room in each locker room and take away some lockers. Don't overkill. Sound system in gym/track Expanded kitchen and "cafe" areas.	7/19/2016 4:08 PM
144	I don't understand the grossly extravagant expansion of classroom and admin space. I get that it's needed, but the current proposal seems to have gone a little overboard, especially considering have the racquetball courts at AAC are the main reasons I chose Addison over some other parts of Dallas when I moved earlier this year.	7/19/2016 2:52 PM

159	I wish we could keep the steam room.	7/18/2016 11:00 PM
160	The shade thing by the pool. Seems silly to go to an outside pool then hunt for shade. It would have to be substantial due to wind. Pool used only 4 months of yr. Waste of money. Save MONEY on that entrance (too fancy and EXPENSIVE). It is a bit much.	7/18/2016 9:34 PM

207	I think it looks good.	7/16/2016 8:49 AM
208	The sauna and steam rooms--too expensive to maintain. Racquetball courts used by too few people to justify keeping them to the exclusion of more flexible, useable square footage. We can't be all things to all people.	7/15/2016 9:27 PM
209	Yes, the large Family Locker room should be right-sized to a couple of stand alone "Family" restrooms. Also, if space is an issue, the Master Plan shows 2 large classrooms in addition to expanded yoga and fitness rooms; these spaces could be multipurpose and combined.	7/15/2016 6:28 PM
210	Lobby/core upgrades and multi-use room	7/15/2016 4:43 PM
211	Have you considered eliminating the indoor pool to allow for more space for locker rooms, spa, etc?	7/15/2016 4:37 PM
212	I think one racquetball court needs to stay. I think it is busy enough to keep at least one. Cafe - I like the idea of it, not sure if it will it be used enough	7/15/2016 4:35 PM
213	I don't feel as if any capital items should be undertaken at this time.. For reason see #13 below.	7/14/2016 6:19 PM
214	Lots. And how many people use this facility???? The exercise equip. is never with a waiting line! #11 doesn't work-"NO, NO" to both questions	7/14/2016 5:00 PM

## 2016 Athletic Club Master Plan

215	Not really.	7/13/2016 5:21 PM
216	Walking track area does not need to be redone.	7/13/2016 4:24 PM
217	way to much space is devoted to family changing rooms.. It's like the raquet ball courts... I don't see how the number of people that need this out weighs what the plans show we are giving up.. in men / women space & sauna/ steam rooms..	7/13/2016 4:20 PM
218	No, I'm all for it, unless it raises the cost for me.	7/13/2016 3:20 PM

220	lobby is not an essential part of the club	7/13/2016 12:13 PM
221	Area to keep a racquetball court	7/13/2016 11:59 AM
222	Nix sauna, steam rooms--too costly to maintain Is there medical documentation to support healthy use of steam room. I think steam/sauna rooms put the club at great risk-	7/13/2016 11:48 AM
223	Anything that reduces security from severe-weather and violent-person perspectives.	7/13/2016 11:24 AM
224	Possibly eliminate the cafe, unless it will be a sure money-earner for the AAC.	7/13/2016 11:13 AM
225	Locker Room changes	7/13/2016 10:08 AM
226	New indoor spa	7/13/2016 9:54 AM

1	I do not want to have to pay a large amount of money per a membership	7/25/2016 9:21 AM
2	It should come from current budget.	7/23/2016 6:12 PM
3	I believe that facility could be updated in a more cost effective way. More of a "cosmetic refresher" vs. plastic surgery approach. (So to speak:-)	7/23/2016 4:54 PM
4	The city can't afford the luxury of remodeling the club at this time. There are other city priorities that are more important than this remodel.	7/23/2016 11:27 AM
5	Our property taxes in Addison have steadily increased. I do not want to pay additional money for taxes. If new member rates could go up, while grandfathering in the existing members, I would not be opposed to that.	7/23/2016 11:10 AM
6	elimination of all racquetball courts	7/23/2016 10:27 AM
7	I don't like the idea of increasing membership fees as that will open the door to contact increases just like with property taxes -- another thing that will constantly go up	7/22/2016 9:36 PM
8	Some remodeling is needed but not that entire plan. Also the work can be carried out in phases such that the cost burden and lifestyle disruptions are minimized.	7/22/2016 8:04 PM
9	The addison athletic club is perfect. They can up grade areas and replace hvac system and locker rooms. And refresh the rest of the areas without spend so much money.	7/22/2016 5:45 PM
10	I do not think such an extensive remodel is necessary	7/22/2016 4:01 PM
11	remodel focuses on areas not important to me	7/22/2016 4:01 PM
12	I would rather pay a higher fee for the athletic club. I don't support my taxes going up. I think seniors should still remain a \$10 joining fee.	7/22/2016 3:57 PM
13	I think the AAC needs improvement but if the membership fee is going up and taxes then NO, leave the gym along.	7/22/2016 12:24 PM

## 2016 Athletic Club Master Plan

14	I would recommend a increase in membership fee over taxes so those who use it are paying for it.. If you don't use it, why do you need to fund it.	7/22/2016 11:19 AM
15	Do not want a tax increase	7/22/2016 9:51 AM
16	i think there is a need to upgrade but perhaps to not that extent.	7/22/2016 9:45 AM
17	Minor upgrades	7/22/2016 9:36 AM
18	Some improvements are needed but these are extreme	7/22/2016 9:30 AM
19	simply updating the HVAC, shower rooms and exercise equipment would be sufficient for me	7/22/2016 9:18 AM
20	I need additional information. I want to be able to have better visuals and understanding of how much space each area will be getting before I can say yet to paying more for my membership or paying more in taxes. Maybe you all can provide something like a virtual tour of the proposed facility.	7/22/2016 9:04 AM
21	I only believe the locker rooms need to be redone really.	7/22/2016 8:48 AM
22	Free use was the original intent	7/22/2016 8:43 AM
23	Depends by how much \$ you're talking about!	7/22/2016 8:24 AM
24	Question unclear.	7/22/2016 7:55 AM
25	Addison is on a spending spree. Why? I find it totally irresponsible.	7/22/2016 7:46 AM
26	I like the AAC's current offerings and fee structure and would much rather have a temporary bond solution rather than a permanent increase in taxes.	7/22/2016 7:44 AM
27	I think we could get by with less of a remodel.	7/21/2016 10:32 PM
28	taxes are pretty high in Addison already.	7/21/2016 8:01 PM
29	Have heard that council members want to open the club to the public. I oppose this and hope it stays a facility for Addison residents only	7/21/2016 6:53 PM

33	town is already 20 million in debt. where is the money coming from?	7/21/2016 2:16 PM
34	increase in my cost fees or taxes.	7/21/2016 2:06 PM
35	I haven't thought about it enough.	7/21/2016 2:01 PM
36	It is already more than adequate.	7/21/2016 1:58 PM
37	I don't think a major change needs to be made to the AAC. I do believe we could upgrade the bath/shower area especially the showers. Right now, you have to get in the shower, turn it on and jump over and wait for the water to get warm. need more space	7/21/2016 1:47 PM
38	I would rather pay a monthly fee	7/21/2016 1:45 PM
39	Raise funds through a bond election-raising the fee for members would not provide enough funds- we need large sums of money that bonds would provide.	7/21/2016 1:40 PM
40	I'd accept "some" increase in our memberships fees. But not like some "public" companies charge 50-60 a month!	7/21/2016 1:34 PM
41	no reason to increase tax, increase membership fee to Addison residents only.	7/21/2016 12:53 PM
42	not everyone uses it, and a tax increase would not be fair to those who do. Perhaps too many changes at once are too expensive.	7/21/2016 9:48 AM
43	There is need, but seems not necessary to do so much.	7/21/2016 9:05 AM
44	The facility is a huge amenity to the town. However, I think the people who use it (membership fees) should provide the bulk of the support. I'd consider a modest increase in taxes, but definitely support higher usage fees -- there's so much room for those to defray some of the costs, especially ongoing maintenance costs	7/21/2016 8:38 AM

## 2016 Athletic Club Master Plan

47	I think there is a need for a remodel. I just don't think that the plan as proposed is the best use of space for that kind of expense.	7/20/2016 2:53 PM
48	make improvements only that are necessary.	7/20/2016 2:51 PM
49	if not using facility would still pay for it.	7/20/2016 2:45 PM
50	this club really is great for our purposes. We don't really see a new to remodel. But would be willing to pay a higher membership fee if it does get remodeled.	7/20/2016 2:36 PM
51	increase property tax rate excludes the addison renters from carrying part of the expense. places more on the long term property owners.	7/20/2016 2:32 PM
52	biggest downside is the filth and mildew in the mens showers! totally unsafe and unsanitary!	7/20/2016 2:27 PM

55	rball is my only interest	7/20/2016 2:14 PM
56	Tax rates are high enough in Addison and Texas.	7/20/2016 1:48 PM
57	Quit buying ugly artwork for entrances and within Addison...so unnecessary. Use money wisely. Also with all of the apartments you want to build, why not increase their taxes to pay for this since they will add people to the athletic club, making it crowded.	7/20/2016 12:12 PM
58	need to focus on maintenance issues and exercise space. repurposing under utilized space.	7/20/2016 10:34 AM
59	percent of increase could make me reconsider, but at 8 per yr I could double it.. haha	7/20/2016 10:09 AM
60	\$10 per year is way too low for the club. The fiscal plan for the town should aid in this, but doing so but less frivolous spending on other city items, not necessarily and increase in taxes.	7/20/2016 12:16 AM
61	I'd rather have these funds refunded to the tax payers than spent on renovation.	7/19/2016 8:25 PM
62	A remodel might be nice, but at what cost (specifically to the members and community, not necessarily a "total budget" figure), and to the detriment of what sports/activities?	7/19/2016 2:52 PM
63	what's selected needs to be more than one option	7/19/2016 1:09 PM
64	racquetball and spa and sauna are more busier than some of our multipurpose areas. How do you eliminate them?!	7/19/2016 12:52 PM
65	Since I use only the water activities, I cannot reply	7/19/2016 10:30 AM
66	costs should be borne by the users	7/19/2016 9:39 AM
67	The remodel is over the top.	7/18/2016 11:55 PM
68	If Addison Council believes they made sound money decisions for the future of Addison, there should be no need to raise taxes or fees. Addison should have plenty to pay for this project.	7/18/2016 11:00 PM
69	Concerned about recent relavation that the utility project on Belt Line will cost considerably more than originally approved.	7/18/2016 9:50 PM
70	Need street improve more	7/18/2016 6:37 PM
71	taxes are too high. a membership fee, maybe \$5-\$10 a month is an idea.	7/18/2016 5:27 PM
72	raising taxes is a NO	7/18/2016 5:25 PM
73	taxes are too high already. A user fee would make more sense.	7/18/2016 3:18 PM
74	i'm all for upgrades, but no complete shut down.	7/18/2016 3:10 PM
75	do not want to pay more taxes	7/18/2016 2:59 PM
76	I do not see the need for a big remodel	7/18/2016 2:50 PM
77	don't want to pay more money	7/18/2016 2:15 PM
78	Property taxes already too high	7/18/2016 2:08 PM
79	I think the main upgrades needed are indoor pool area and locker rooms. The other expenses might not be that critical	7/18/2016 1:58 PM
80	replacing the HVAC ONLY	7/18/2016 1:55 PM
81	I would only do the HVAC and lobby/core building	7/18/2016 1:52 PM

## 2016 Athletic Club Master Plan

82	I am spoiled by the tax only model we use now. I think it encourages use of the Club.	7/18/2016 1:25 PM

87	Taxes are already too high	7/18/2016 12:16 PM
88	Spend 3 Mil	7/18/2016 12:12 PM
89	Said yes, but depends on final figures	7/18/2016 12:08 PM
90	remodel is too high in cost	7/18/2016 8:06 AM
91	Yes we need an upgrade to the gym but this goes to far.	7/16/2016 6:38 PM
92	Would like to know the proposed increases	7/16/2016 10:07 AM
93	Vote No on what? This question is not clear. I think a short term bond to add to increased membership fees would be best.	7/15/2016 9:27 PM
94	I'm concerned that raising the cost would price some residents out. Also, I think "tiered" usage of certain amenities is a terrible idea. It raises one of two complaints--"Why do people with more money get access to more resources?" or alternatively, "If I have to pay more for resources I use, then shouldn't others have to pay for resources they use that I don't use?" Bad precedent to set.	7/15/2016 6:28 PM
95	elimination of racquetball courts	7/15/2016 4:43 PM
96	I would want to be sure there were more children's programming available before I could support a tax hike, when my son turns 8, I will be very limited on how I am able to access the club, other than summer months	7/13/2016 5:32 PM
97	I do not think the club needs that large of a redo.. few cities have this type of facility already.. I moved to Addison strictly due to the Club... Its a huge plus they way it is.. & this is a huge amount of money to ask for & we already have the Belt-line Rd completion to pay for...	7/13/2016 4:20 PM
98	I think we are all concerned about our property tax.	7/13/2016 3:20 PM
99	Increase in property tax puts burden on residents who do not use AAC and can inhibit residential growth in the city.	7/13/2016 11:13 AM
100	I own a home. Apartment users would not have to pay tax	7/13/2016 9:54 AM

1	I believe that \$10.00 a year is way to low. I will not be a member if you increase the membership proses to the cost of other gym costs.	7/25/2016 9:24 AM
2	Try to trim the 6.5 million budget	7/25/2016 9:18 AM
3	No changes needed	7/25/2016 9:13 AM
4	I see no reason for changes it is in good shape. Just needs a few cosmetic changes.	7/25/2016 9:10 AM

6	n/a	7/23/2016 10:16 PM
7	Do not allow non Addison residents to become members.	7/23/2016 6:12 PM
8	I will strongly oppose such an extravagant plan given all the financial challenges the Town is facing now. Only maintenance issues and exercise studio space is urgent need. Why not take away mens basketball court or at least reduce by 50% for studio space? I learned at my meeting there is also admin office space under the staircase to equipment annex that is never used... more wasted existing space! When I attended the recent meeting I saw another new expensive piece of equipment purchased for the men and added into one of the old racquetball courts. All the while, the exercise and yoga mats, primarily used by women, are old, smelly, and often torn/ripped. The light fixtures in the upstairs room are filthy and full of dust.	7/23/2016 5:25 PM
9	This is a very costly plan and it is not necessary. I would be strongly opposed if there is going to be fees assessed or added taxes.	7/23/2016 2:37 PM
10	I suggest we do the necessary improvements at this time and put the remodeling plan on hold until the city can afford it better.	7/23/2016 11:27 AM
11	The indoor pool DEFINITELY needs an update (or thorough cleaning). The grout is disgusting.	7/23/2016 11:10 AM
12	why eliminate all racquetball courts?	7/23/2016 10:27 AM
13	Will the club be closed during this remodel? If so that is unacceptable .	7/22/2016 10:11 PM
14	Thank you for asking for public input.	7/22/2016 10:07 PM
15	If so much money goes into remodeling I think there should be a cafe in the lounge area that serves nice beverages that can be purchased. I also think the multipurpose meeting space should be available for members to rent out and allow non-members to attend meeting in the rented space. Both these things can bring in good revenues and off set costs.	7/22/2016 9:36 PM
16	Please have the council hold extensive deliberations prior to implementing the entire project.	7/22/2016 8:04 PM
17	Racquetball is one of the greatest sports in America. I think it would be a crime to deny future generations the opportunity to play racquetball. Its super fun to play and provides one of the best aerobic workouts. The only reason racquetball has declined in United States is because a lot of gyms that had racquetball courts went out of business. I live in Frisco, TX and the Frisco athletic has 5 + courts. They offer racquetball classes and tournaments. The addison club can offer the same. The addison athletic club has the perfect balance of amenities for it's members. Please keep it that way!	7/22/2016 5:45 PM
18	need improvements to help attract new residents	7/22/2016 5:41 PM
19	It should be well designed and nice but let's avoid expensive lobbies and other space	7/22/2016 5:26 PM
20	Not needed unless the residents want it not the council members. I don't want to pay membership fees or have my property tax increased for a project that is not needed. Thank you	7/22/2016 4:22 PM

## 2016 Athletic Club Master Plan

21	Really, this is a lot of money to accomplish very little. The main thing everyone wants is additional class/programming such as more Yoga and other classes. Addison does not have the critical mass to support additional programming. Have we even thought of buying out the Crunch gym on Beltline and expanding the facility--excellent facility and it is not doing very well financially. The present AAC could be made into a new city hall/finance building and the current city hall and finance buildings could be sold for the commercial land value.	7/22/2016 4:05 PM
22	more focus on indoor/outdoor pool areas	7/22/2016 4:01 PM
23	IF present facility is serving our residents well, then there is no need to add improvements that are not needed...Add improvements only to maintain facility in good condition.	7/22/2016 3:35 PM
24	I love it as is! It is such a great community ammenity. And now is not the time to spend tons of money on the club. Just keep it in good repair and replace as needed.	7/22/2016 2:54 PM
25	Hours of operation & classroom schedules also need to be revisited as they are dated & do not reflect a younger/family friendlier Addison who live busy lives, work 50-60 hours, plus tend to families and would like to work out or take a class at hours that accommodate that.	7/22/2016 2:26 PM
26	How would the club function while this is going on	7/22/2016 2:01 PM
27	Whould not want exercise equip room closed at all for any amount of time use it regularly.	7/22/2016 1:51 PM
28	I have attended two of the survey feedback sessions and it seems like people really want to keep at least one racquetball court. As you know I and others also feel strongly about more activities for kids especially when they are over 7 and age out of child care (which perhaps we can change this policy). I joked about having a racquetball court with a sliding wall hiding a climbing wall behind it, or use it as a movie room but I just remembered a very cool interactive gym that utilized large blank walls like a racquetball court. This would be incredible amenity that would set our center apart as there are not many of these in the country. It would also provide our kids (and adults too) with a sports activity in a confined space that they would love. It is an interactive screen projected onto a wall much like a video game but the focus is sports skills like throwing knocking over "bottles", kicking goals, etc. <a href="https://www.greatplay.com/about/interactive-gym">https://www.greatplay.com/about/interactive-gym</a> <a href="https://www.greatplay.com/highlandsranch/about/mission">https://www.greatplay.com/highlandsranch/about/mission</a> I am not sure if this would be a technology we could get or not since they say it is patented (maybe they have a version available for community centers or someone else has a knock off) but I think it is worth looking into if we want to keep a racquetball court and utilize the space as much as possible. Even if the technology of the interactive sports wall is not available to purchase, perhaps even programming could be available for our younger residents on certain days they could project on the racquetball wall a Wii dance game or some other video game that the athletic center already has. Just a thought. (Though I would love to find a way to get a climbing wall in the AAC too ^ ) Much of the way that the AAC is currently used is due to the current policies and programming which could be changed to facilitate the use of space by more people.	7/22/2016 1:32 PM
29	I am not a fan - especially with that price tag.	7/22/2016 1:26 PM
30	The club is already a world class facility and the low cost of it is a major draw for future home buyers and renter's. The construction period would also make large portions of the facility unavailable and unsightly for regular users like me. This plan, in my opinion, is major overkill. Please do not do this, except for the hvac upgrade.	7/22/2016 11:58 AM
31	I like the idea of upgrading	7/22/2016 10:54 AM
32	Addison renters should not have a vote as. They will not be footing the bill- only the taxpayers( home owners)	7/22/2016 10:22 AM
33	New spin bikes	7/22/2016 10:02 AM
34	none	7/22/2016 9:42 AM
35	none	7/22/2016 9:40 AM
36	stop wasting are money	7/22/2016 9:39 AM
37	Bad idea for residents	7/22/2016 9:38 AM
38	Do not remove the steam room/sauna	7/22/2016 9:36 AM
39	No due increases no tax increase	7/22/2016 9:30 AM
40	Fix what's broke (if the HVAC needs to be replaced then do it.) But don't 'fix' a very adequate fitness center. People moving to and buying homes in Addison are already more than impressed with the facilities we currently have. I strongly object to any spending money on this overall proposed project.	7/22/2016 9:28 AM
41	I think the club footprint is pretty great as it is. The HVAC needed work or replacement, showers need remodeling and new exercise equipment would be great.	7/22/2016 9:18 AM
42	Could use racquetball space for family things too such as an interactive video game wall, a climbing wall, blow up bounce house on certain days, etc	7/22/2016 9:01 AM

## 2016 Athletic Club Master Plan

43	Not needed at this time when you have roads in very poor condition (midway) for one	7/22/2016 8:58 AM
44	I suggest we pay for this in multiple ways. 1) Increase in taxes. 2) In the initial year charge users \$10 per year and assess the dues structure annually. 3) Figure out additional revenue streams such as more revenue via more visitors, selling nutritional drinks, Addison logo work out towels, etc.	7/22/2016 8:52 AM
45	Based on the design and proposed changes, the total cost is woefully under budgeted - expect the overall cost to exceed \$10,000,000. To fund the cost, you might consider a usage based fee system (pay \$x per visit) or a tiered membership plan (different cost per year based on # times use club), thus members deriving the most benefit from the cost (based on usage), pay for the cost of redesign/upgrade.	7/22/2016 8:48 AM
46	If we increase in property tax rate to support how much of an increase are we looking at?	7/22/2016 7:50 AM
47	If Addison does not have the money I don't want any of the changes. Our property taxes have gone up enough already. Enough is enough.	7/22/2016 7:46 AM
48	I agree wholeheartedly that the sauna and steam room need to go. I also think we could do without hot tub based on informal usage observations. Are there any inefficiencies with current staffing that could be cut? For example, it seems like we have life guard overload and many times in the evening front desk staff are not busy. It seems one person might be enough? Just thoughts based on my limited knowledge and observations.	7/22/2016 7:44 AM
49	Your survey has been constructed with bias. It is not possible to select "definitely no" to both increase membership fees AND increase in property tax. Your collected data for this question is therefore inaccurate and the survey should be reissued to all participants for fairness. If one of the goals of the renovation is to make the facility profitable can the council outline how homeowners as stakeholders will benefit financially from their investment via property taxes? I witnessed a very similar facility undertake a very similar renovation. Within six months the day spa, cafe and massage parlour were shut down and mothballed due to lack of demand... Be careful what you wish for... You may end up heating/cooling empty rooms for years to come.	7/21/2016 11:23 PM
50	I use the facility 4-5 times a week. The sauna, steam room and racquetball courts are always busy when I go. I look forward to a nice sauna at the end of a hard workout. I don't care if Grapevine or the entire country don't have these facilities in their new buildings...they are important to us. I think we need to look and see what it is we want our facility to be. Do we want a spa (Equinox) feel with cafes, lounge areas, massage rooms...or do we want an athletic center? Because if the later is not the case, there needs to be a separate town meeting about the overall use of the building. I am a homeowner and therefore pay taxes to fund the athletic center. One of the key perks about living in Addison is not having to pay a separate membership fee to use the athletic club. Again, I could care less if other cities aren't using this model. I do not want our athletic club to turn into some business center. This is a place for the community to come together. I understand that people want to upgrade the facility, and yes, some things need attention. But there is absolutely NO reason for a complete overhaul. We can fix the things that need to be fixed, but please don't take away the charm and uniqueness of our town by turning our athletic club into a corporate community center.	7/21/2016 11:22 PM
51	need the steam room	7/21/2016 8:51 PM
52	Racquetball needs to stay	7/21/2016 5:40 PM
53	Scrap and plan and save the money.	7/21/2016 5:39 PM
54	I think the club is great as is but can see the need to upgrades in the very near future, we shouldn't wait on this too long. I love coming in every day to work out here, and I know these upgrades will make each time more desirable.	7/21/2016 4:30 PM
55	I think the town has really put a lot of thought into this. I love all the ideas that have been presented. Our facility is very outdated and needs a face lift. The wood paneling is horrible now! making these changes will make living in Addison more desirable for families and young adults.	7/21/2016 4:27 PM
56	I think people would be very upset if there are monthly dues. this would work. maybe 10 dollars a month. I feel if we don't make upgrades our property values will go down. Farmers Branch has made many improvements. Have a great community center! Also, we need to make ir more of a community center-or build a new community center. we need more for activities, make more more family friendly/	7/21/2016 4:24 PM
57	please make sure any upgrade backed by proper research	7/21/2016 4:20 PM
58	great ideas	7/21/2016 4:16 PM
59	very disappointed the town would put forth a plan that is not cost efficient and utilize existing (or majority) floor plan. there is too much emphases on things that do not enhance workout experience. Such as: -family locker rooms -game rooms -lounge and coffee bar -new and additional offices for staff and trainers (totally un-necessary) -large 2nd floor bathrooms. Totally unnecessary when there is locker room on first floor! -50 new pieces of equipment when move existing equipment sits idle throughout the day.	7/21/2016 3:31 PM

## 2016 Athletic Club Master Plan

60	Very disappointed the town would come up with a plan that is not cost effective and does not utilize existing floor space. Too much emphases on unnecessary and too expensive things. for instance: -Family locker room? are you serious!? -game room; another no-no! -lounges? Stay home and lounge. EXERCISE at the club. sleep, eat and watch TV at home! -cafe/coffee bar? WRONG!!!! -trainers do not need an office. They're here to train-they can sit in their cars and get on their phone or tablet. -there are plenty of restrooms (large enough) on the 2nd floor. Locker room on 1st floor. USE IT! -NO NEW MACHINES! most machines sit unused! When all of us moved to addison we were impressed with AAC in that it is intimate, easy access, with a friendly staff! I LOVE THE STAFF! VERY SHORT AMOUNT OF CHILDREN! since most of the members are 50 or older. How many kids are you talking about? 20? please-no free baby sitting. let them go to a rec center for that. not here! why is and who are the ones who want all this nonsense? do they even live here? "DON'T FIX IT IF IT AINT BROKE"	7/21/2016 3:25 PM
61	I like the AAC the way it is. Cost of necessary maintenance-ok. We have under used space. This plan is way over the top, with little to no regard of practicality or costs. We could re-purpose some of the existing space. Projects should focus on ADULTS, especially 50 and up. The largest demographics in the club.	7/21/2016 3:08 PM
62	too expensive	7/21/2016 3:02 PM
63	I have been an avid member since we moved here 12 yrs ago. One of the biggest issues is many of the younger people would like to have free weights. This could be done by using the life-guard room. Instead of a one time fee of 10 dollars, they should start charging a yearly fee. This would help to offset cost of the facility and allow for regular upgrades to equipment. Finally, instead of doing everything all at once maybe spread it out over the course of the next 3 yrs.	7/21/2016 3:01 PM
64	I do not want to see the club shut down while changes are being made.	7/21/2016 2:58 PM
65	it's fine the way it is, with exception of more shade for outdoor pool so the children and their adult sponsors won't come to inside pool and play.	7/21/2016 2:47 PM
66	As a young adult, I look forward to the possibility of this remodel! we plan on being in Addison for awhile and this has so much more potential for our own personal uses and our children.	7/21/2016 2:46 PM
67	how will we retain the current employees/staff at the club when it is shut down for 9 months? key consideration.	7/21/2016 2:16 PM
68	lower the budget, do a smaller remodel and don't raise residents costs.	7/21/2016 2:06 PM
69	the club is good but needs a refresh. I would start smaller-3 million and prioritize.	7/21/2016 2:03 PM
70	I do not support closure during renovating. Some of this plan is excessive-not necessary. The present facility is the best feature Addison offers.	7/21/2016 1:58 PM
71	need at least one more ping pong table	7/21/2016 1:53 PM
72	we don't need to beautify and update as much as being proposed. The AAC is good the way it is- the main this is keep up with maintaing and updating equipment	7/21/2016 1:40 PM
73	one of the "perks" if living in Addison is "free" access to the AAC is extremely unique. Being somewhat limited	7/21/2016 1:34 PM
74	please do something!! this will just enhance Addison and increase our property values. Right now, it's FREE- we could pay a bit more in taxes and it would still be chaper than other fitness centers. Love that this will have a community center feel, shared use by young and old. Please limit use to only Addison Residents and business owners (not employees)	7/21/2016 1:12 PM
75	consider adding space and building over rook on 2nd floor on either side of the pool	7/21/2016 12:53 PM
76	needs to be updates so I'm glad to see the effort. We need to compete with other cities in north Dallas (Plano, Frisco etc..) to keep Addison a desirable city to live in.	7/21/2016 12:48 PM
77	the master plan seems to be adding/remodeling aspects of the rec center that don't need to be upgraded.	7/21/2016 12:41 PM
78	don't need. ok as is	7/21/2016 12:21 PM
79	I love the club! I was surprised when I heard that improvements were being considered because I think it is pretty cool as it is... The proposed changes look really great and well thought out. Lets do it!	7/21/2016 12:19 PM
80	I don't understand why perfectly good equipment is being replaced. I think this plan may be too ambitious and should be scaled down.	7/21/2016 9:48 AM
81	New plan looks wonderful! can't wait for the new Athletic Club	7/21/2016 9:41 AM
82	This is a terrible plan and the proponents of it should be held accountable. Tax payers in the town did not ask, nor want this. Back out of this unnecessary and politically charged disaster now.	7/21/2016 9:14 AM

## 2016 Athletic Club Master Plan

83	This facility is a huge asset to the community, even for people who don't use it, because it increases the amenities of Addison hugely. We absolutely must invest in its infrastructure, e.g. HVAC etc, regularly, as well as periodic updates such as those suggested by the plan	7/21/2016 8:38 AM
84	It seems to me you could create extra space above the existing locker rooms by building up. They are currently 1 story. By adding another story you would gave extra space for classrooms or other multipurpose areas. You could then keep at least 1 racket ball court for those who like to play. Also, I hope there are plans to add fitness classes for those over 50 who work all day.	7/20/2016 11:12 PM
85	Where is the money coming from? Mayor committed 6.5 million to townhome developer with no idea where the \$\$ is coming from. Beltline project is overspent--Taxes higher. Town needs to limit repairs/expansions to only absolutely necessary things	7/20/2016 11:10 PM
86	At the forum, the designer stated that few other Athletic Clubs have racquetball courts. Are we to lower our standards to their level? I thought Addison was better than that.	7/20/2016 10:53 PM
87	Proposed removal of the racquetball courts will cause extreme inconvenience to many of the AAC patrons. We use it multiple times a week. There are not many racquetball courts available to us. One of the primary reasons we visit the club is to play racquetball. We play racquetball more than we use any other facilities at the club. Loss of the racquetball courts may cause many patrons to be turned away from the club. Many people have access to a home or apartment complex gym. Access to racquetball courts is limited due to the lack of availability of courts in the area.	7/20/2016 6:24 PM
88	.	7/20/2016 3:26 PM
89	<ul style="list-style-type: none"> <li>• Kudos to the ACC MP Committee for identifying all the various update opportunities and showing how they might fit into the existing footprint. This is a very important first step. What remains now is to sort, prioritize, consider alternatives, and provide justification. That is the purpose of the survey now being conducted.</li> <li>• As a general comment, the existing central layout provides a classic design. The lobby/core area features a spacious look and feel with its high ceiling, skylights and overlooking balconies. This is a timeless design and does not need updating. The proposed changes to the lobby/core are not a good idea. We would be better served by adopting the rule that the core be preserved and that all changes be pushed out to the periphery.</li> <li>• Another ground rule that should be established from the outset is that any changes to the existing facility must be planned and phased to keep the ACC in operation throughout the construction period. Minimizing disruption should be a primary objective.</li> <li>• We must be skeptical of the estimated cost of changes at \$6.5 MM. Based on our experience over the last couple of years with city projects, we should expect actual costs at 2X or say \$10 – 15 MM.</li> <li>• Addison would be better served by minimizing the ACC update expense at this time. It would be better to defer major ACC update expenditures until we can better evaluate the impact of additional demand from the near-by Grove development. Several years from now we may decide that an expansion of the footprint is the best way to meet our needs.</li> <li>• There are several ideas with high priority and significant benefits that can be achieved at reasonable cost and meet the above guidelines.             <ul style="list-style-type: none"> <li>o Maintain the existing HVAC to return to reliable operation. Replace pieces where necessary and repair the rest. Suggest retaining a well qualified service firm with engineering and shop capability (like Frymire or equal) to evaluate and provide a firm cost for the work.</li> <li>o Keep existing racquetball 1 and 2 in operation. They get considerable use.</li> <li>o Open up the old racquetball 3 and 4 areas by removing the wall and providing the necessary column support to create a large classroom, fitness, meeting multi-use area.</li> <li>o Re-purpose the curved window area overlooking the outside pool in the west wing as an additional multi use room. Close in the north bay of the outside pool area to provide a place for pool equipment storage and possible use as a family change area.</li> <li>o Maintain the men's locker room as is. It is frequently quite crowded and consolidation next to the women's locker room is not a good idea. With possible extra space in the women's locker area, consider adding a family change cube or two.</li> <li>o The spa on the east end of the inside pool, the men's sauna and men's steam room get limited use. Of these the spa is most popular and used by both men and women. The sauna also gets considerable use. But if they are deemed too expensive to maintain and operate, shut them down. The sauna/steam room area could be converted into additional storage or possibly a couple of family change cubes accessible from the inside pool deck. The spa could be decked over and converted into an elevated glass surrounded arbor foundation-type seating and plant/sculpture area.</li> <li>o Another area that might be considered for family change space is the existing men's and women's rest rooms in the far southwest wing of the outside pool. The existing rest rooms appear quite large and cube space for family change with separate access should be available there.</li> </ul> </li> <li>• Ideas that are not cost effective and would disrupt operations or existing classic architecture features include the following:             <ul style="list-style-type: none"> <li>o Closing in the central lobby area to create a straight-on entry desk, boutique lobby seating and coffee bar areas, office space modifications, kitchen modifications, upstairs fitness and studio changes, library relocation, etc. These changes destroy the central openness and subdivide the new space into a multitude of smaller boxes. Much has been made of the need to update the architecture, look and feel. But there is no need to update a classic. Destroying the classic layout would be a step backwards. The proposed changes will create too much disruption in on-going operations to implement. They will be less efficient with regard to routing of the HVAC system.</li> <li>o Outside pool shade/patio changes are difficult to justify. They receive only seasonal use.</li> <li>o Updating the upstairs track surface overlooking the gym area is not needed or justified. Painting the walls with graffiti/bold graphics and resurfacing the track in garish colors is not an upgrade. If wall painting is deemed appropriate, I would suggest updating pastel colors.</li> <li>o A new elevator is not justified.</li> </ul> </li> </ul>	7/20/2016 3:07 PM

## 2016 Athletic Club Master Plan

90	scaled back version would be sufficient.	7/20/2016 3:05 PM
91	i like it the way it is	7/20/2016 3:01 PM
92	who's idea was this anyways?	7/20/2016 3:00 PM
93	the athletic club is fine the way it is. maintain the HVAC/heating lighting, plumbing and paint and it is just fine	7/20/2016 2:57 PM
94	no renovation is needed. put the money to better use.	7/20/2016 2:50 PM
95	clarify classroom uses.	7/20/2016 2:45 PM
96	user pay system is best.	7/20/2016 2:38 PM
97	we do not need a palace	7/20/2016 2:33 PM
98	I don't see a benefit of a "coffee bar" a a heath club. don't want to see this place just be one more "social spot" in addison, we already have plenty of those already. PLEASE no "starbucks" at the health club.	7/20/2016 2:32 PM
99	the steam and sauna in mens room are incubators for germs, mildew and fungus.	7/20/2016 2:27 PM
100	please include rball. I didn't know until another player notified me. We are not a vocal bunch, but there is a lot of support to keep it.	7/20/2016 2:22 PM
101	please finish beautify beltline first. and do not foolishly remodel space like lobby area just for looks.	7/20/2016 2:20 PM
102	rate increase is ok but will have to be reasonable	7/20/2016 2:16 PM
103	keep rball courts	7/20/2016 2:14 PM
104	keep rball courts	7/20/2016 2:12 PM
105	the AACshould remain an adult athletic club.I oppose trying to turn it into "Rec Center". Children 15 years are not permitted in work out areas. Against any improvements that focus on this demographic. I would only support making maintenance improvements and converting either the bball court and or upstairs library into additional exercise room.	7/20/2016 2:07 PM
106	looks good, but timing and interruptions are not covered.	7/20/2016 1:48 PM
107	No monthly fees for members	7/20/2016 12:08 PM
108	Park across the street needs a family bathroom. Health club needs family bathroom with shower. Redesigned child center with adjacent activity area for age 7 and up (until the age of able to use facilities). Treadmills with oen TV capabilities instead of only 2 large ones. More individual fans for personal treadmill, bike use. More shade outside pool and better placement of lifeguards chairs. Possible food sales at pool. Sports massage day/schedule appointment in health club	7/20/2016 12:04 PM
109	Park across the street needs a family bathroom. Health club needs family bathroom with shower. Redesigned child center with adjacent activity area for age 7 and up (until the age of able to use facilities). Treadmills with oen TV capabilities instead of only 2 large ones. More individual fans for personal treadmill, bike use.	7/20/2016 12:00 PM
110	the AAC was designed to be a ADULT athletic club, NOT a rec center for kids! It should keep this focus. Children do not need locker rooms as they are not allowed in equipment areas. The biggest demographic using the AAC are active seniors 50 and up. one of the biggest ongoing problems is one one exercise class can happen at a time. I would like to see at least 50 percent of basketball courts converted to exercise studios. don't want to see AAC become a LA fitness or YMCA like facility.	7/20/2016 10:51 AM
111	oppose any plan to convert the existing ADULT focused AAC into a mega-rec center for small kids and teens. very disappointed to be presented a plan that, based on the presentation, is the most expensive option for taxpayers. Absolutely no attempt to utilize existing building layout, as originally designed. The primary AAC demographic members are ADULTS. very few children live in Addison. Most families move to suburbs when kids become school age. At our meeting, we were told by Randy that they had 20 kids out of 4,000 AAC members! I was speechless to see a proposal to spend millions on such a tiny, tiny demographic.	7/20/2016 10:34 AM
112	love it! looks great!	7/20/2016 10:09 AM
113	The club needs some updating, but not \$6.2 M worth. An expenditure of this amount is fiscally irresponsible and unnecessary.	7/20/2016 9:42 AM
114	More programs for children. Would love sports club (like tennis club or swim club) for kids 16 and under to get together on a regular basis	7/20/2016 9:37 AM
115	It sounds like a great plan and I support it!	7/20/2016 9:29 AM

## 2016 Athletic Club Master Plan

116	Annual membership fees are the first step for expanding membership to non-Addison residents. The club should remain for Addison residents only. By charging an annual fee, you make it much easier to later allow non-residents to get an annual membership.	7/20/2016 8:46 AM
117	I was hoping there would be a more thorough survey, but hopefully, I can get my comments in this section. First, though new machines were mentioned, there was no mention of free weights like S bar, plates, a Smith machine, or dumbbells that go up to 100 pounds. Second, the cafe and bigger lounge areas are impractical and a waste of space. This is an athletic club, not a family center or community center. Third, would segmenting the pool into an "adults only" and "families" section be feasible? The upper portion seems to always have adults, singles mainly, and the lower portion seems to naturally have the families. Just a thought. Fourth, it is my hope the new programmable spaces will have ones designed for crossfit and athletic training with items for H.I.I.T., vertical leap drills, heavy ropes, etc, etc. Fifth, will the track have better straight lanes for sprints? Sixth, a shower by the pool for people coming directly to the pool who don't work out or from the volleyball court to wash off without going to locker room. Seventh, shade for the seats on the tennis court which could be done by the same company who does the shade used from the pool. Eighth, as discussed with others who work out there, the culture and demographics of Addison must be reflected in its athletic club. While there are many seniors, there are also many singles who choose to live in Addison because Addison draws them. They should be accommodated, because while almost every city has nearly everything geared towards families with kids, Addison has no public middle or high schools. To make the AAC geared towards a transitory demographic is senseless and is not good for the long haul. Families will and do move to other cities when their kids grow up, but singles will continually be drawn to Addison for its many restaurants, nightlife, affordable housing, and similar demographic. The AAC should not lose sight of this.	7/20/2016 12:16 AM
118	I'd rather have these funds refunded to the tax payers than spent on renovation.	7/19/2016 8:25 PM
119	I have enjoyed playing raquetball. As a new person to the area, I came here and met friends because of raquetball. I would not be a member otherwise. Thank you.	7/19/2016 7:41 PM
120	I would support both an increase in membership fee and property tax rate for this great Perk of living in Addison	7/19/2016 4:46 PM
121	When you call in an architect and "think outside the box", you will get a re-architected space. That doesn't make it the right thing for Addison. Keep the AAC the "AAC" not rec center. Take care of maintenance items don't build a new structure. Reception desk could be moved with current configuration with very little cost. Could close current stair by racket ball courts and put a multi-purpose or game room there. Eliminate the remaining racket ball courts and put a spin area in one - may be small but current spin classes very lightly attended anyway. Don't need so many closed off room areas - ruining the feel of the club. Current machines are not "too close together" as architect stated. Would support membership fee increase if it doesn't go crazy.	7/19/2016 4:08 PM
122	I saw and heard that there was a proposed remodel, and I just assumed up until this point that it would have included racquetball courts. This is a major point of contention and I am going to become as active as I am able to become to advocate for their inclusion as a part of any remodel. As mentioned earlier, I didn't see any word in the Master Plan that discussed the new Spa. And, I'm not sure what the current maintenance costs of the HVAC are and understand that significant cost savings could be generated over time with an updated system, but how is that intended to "improve user experience"? What are the current costs, and how long would it take the new system breakeven?	7/19/2016 2:52 PM
123	new hours on saturday and sunday. open at 6 on saturday and 7 on sunday. clean under equipement. no tank tops for men- hygenic purposes. visitors need to sign in at front desk.	7/19/2016 1:11 PM
124	club is currently not being cleaned well	7/19/2016 1:06 PM
125	keep out of our fine athletic club	7/19/2016 12:57 PM
126	6.5 million is very expensive. you should find better contractors.	7/19/2016 12:52 PM
127	Financial impact should be explained in more detail.	7/19/2016 12:47 PM
128	This club is a selling point. Nothing wrong with club now, just needs a new HVAC	7/19/2016 12:43 PM
129	Keep memberships for residents and Addison employees only	7/19/2016 12:29 PM
130	I purchased my house next to the club to play racquetball. PLEASE DO NOT REMOVE THE RACQUETBALL COURTS.	7/19/2016 12:10 PM
131	Fix the roof and other leaks.	7/19/2016 11:03 AM
132	I like the club as is, but I know some things should be updated	7/19/2016 10:30 AM
133	Where would the money come from, I have not seen anything in the budget for this \$6, million expense and I would not support a property tax.	7/19/2016 6:24 AM
134	The AAC is a good thing. Let's keep it that way with a more careful, more budget friendly update.	7/18/2016 11:55 PM

## 2016 Athletic Club Master Plan

135	There is NO NEED to remodel as it is "up to date". Keep the STEAM ROOMS, A/C improvement makes sense but the rest is too expensive. EVERYTHING IS FINE NOW, why spend MONEY for frivolous things? Very, very few in Addison want to pay for these luxuries. Just maintain what you have now.	7/18/2016 9:34 PM
136	I think the athletic club is a huge perk for living in Addison. I'm proud to be a part of it!	7/18/2016 8:42 PM
137	I am very impressed with the plan. Very excited about it	7/18/2016 7:22 PM
138	Great facility, lots more families would also be great	7/18/2016 5:25 PM
139	access to purchase drinks, snacks (healthy ones not from vending machines)	7/18/2016 5:23 PM
140	new spin bikes	7/18/2016 5:20 PM
141	The free to residents athletic Center is a massive marketing coup for Addison and was one of the main reasons I purchased my house in Addison and not a surrounding town. By threatening membership fees you will drive people away from this perfectly serviceable facility and align the town closer to it's generic, uninspiring neighbourhoods. The ventilatuon state in the building needs an overhaul and the indoor pool needs refurbished. That's it!	7/18/2016 3:36 PM
142	In light of revelations about increased Belt Line Rd expense, I'm not for more debt. Wish we hadn't painted the crosswalks and had spent that money on this project.	7/18/2016 3:22 PM
143	most citizens in addison are just average people. we don't need to look extravagant. We are not highland park, plano etc.. most people would prefer to spend money on something that is needed. this update is not needed.	7/18/2016 3:17 PM
144	please include youth 10-14 activities and fitness classes.	7/18/2016 3:13 PM
145	I like the concept but it's pretty good already. Just needs a few tweaks.	7/18/2016 3:10 PM
146	I am fine with the way things are now other than maybe a little more room for the workout machines and weights	7/18/2016 2:45 PM
147	sauna and steam	7/18/2016 2:45 PM
148	place good heating and air, make athletic club safe and keep saunas & steam room as usable.	7/18/2016 2:33 PM
149	I think a remodel would be nice, but the main "attractions" to the club for me, personally, will be removed by the current plans (sauna, steam room, and racquetball courts).	7/18/2016 2:29 PM
150	looks good, relatively economical	7/18/2016 2:15 PM
151	I wish they would open earlier on Sunday.	7/18/2016 2:13 PM
152	much needed	7/18/2016 2:12 PM
153	Club is nice now if you are increasing property tax...not interested at all	7/18/2016 2:08 PM
154	I would vote against anything that raises memberships fees or opens our club up to non-residents.	7/18/2016 1:52 PM
155	Thank you to everyone who has worked on this! It looks fabulous. :) One last plug for a Stepmill machine--it is great for getting heart rate up without impact...one of the few machines that doesn't bother my plantar fasciitis ; ) Thanks again! Bravo!	7/18/2016 1:50 PM
156	I think the club is fine as it is. Better exercise machine maintenance is all that is needed.	7/18/2016 1:48 PM
157	I think the facility is great and only needs minor upgrades to the A/C and the equipment.	7/18/2016 1:41 PM
158	please fix the leaking roof	7/18/2016 1:40 PM
159	The Athletic Facility needs a digital membership program that can keep track of check ins and exercise programs. It would be very useful for reminding people to use the facility and monitor their healthiness. There needs to be better shower capabilities before you get into pool. There should be a way to get better basketballs in the gym by swapping out your Addison membership card or mobile checkout	7/18/2016 1:26 PM
160	I am very thankful for the club I have use since 1997. The 2003 upgrade was in fact an improvement. I generally trust that the Town will responsibly continue to improve the club.	7/18/2016 1:25 PM
161	- 0 -	7/18/2016 1:20 PM
162	update HVAC and regular maintenance and cleaning equipment and facility is all we need.	7/18/2016 1:10 PM
163	hire people who will keep things clean! Pool is filthy!	7/18/2016 1:01 PM
164	the only thing that should be done is to convert the pools to a salt water or ozone system. Wellness should be a priority	7/18/2016 12:55 PM
165	fix ac	7/18/2016 12:51 PM
166	the space and amenities are much appreciated	7/18/2016 12:48 PM

## 2016 Athletic Club Master Plan

167	more multi sport focus, soccer, futsal, training for athletics and cross fit	7/18/2016 12:44 PM
168	more multi sport focus, soccer, futsal, training for athletics and cross fit	7/18/2016 12:44 PM
169	benches out front for children and people waiting on rides	7/18/2016 12:41 PM
170	Please listen to the small suggestions. Study areas	7/18/2016 12:25 PM
171	Don't want it	7/18/2016 12:22 PM
172	Some elements that are included/excluded may not have come out in the focus groups. Who let them? Who designed the questionnaire? Not sure it was done properly	7/18/2016 12:20 PM
173	Excellent	7/18/2016 12:16 PM
174	Love indoor pool most important thing to me Like steam room for allergies Simple low maniance scale in the locker rooms	7/18/2016 12:12 PM
175	HVAC, BASKETBALL GYM, TRACK, LOCKER ROOMS AND SHOWERS NEED TO BE UPDATED AND REPAIRED. BEYOND THIS I DON'T SEE A NEED.	7/16/2016 6:38 PM
176	The AAC is the most important space to build our sense of community. It enhances our property values. I love the friendships my daughter has built participating in the children's activities. The AAC was one of the top reasons our family bought a house in Addison. We need to care for it and enhance it.	7/16/2016 10:41 AM
177	It looks awesome and brings our club a modern athletic club look and feel.	7/16/2016 10:07 AM
178	uncertain most improvements are needed. Improved air and heat makes sense	7/16/2016 9:56 AM
179	Would love the yoga room to be equipped to have a barre class...there are many different types, bar method, pure barre, etc. but the barre is all the same.	7/16/2016 8:49 AM
180	I suggest paying an small annual fee. I am hearing suggested amounts of about \$20 a month = \$240 annually compared to previous 1 time \$10 fee. I just dont use the Athletic center enough for an annual \$240 fee.	7/15/2016 9:31 PM
181	Do it as soon as possible. It will have to be done eventually and will only get more expensive with time. There will be criticism and dissatisfaction either way: It will further deteriorate and be outdated, in which case it will no longer be a real estate sales asset and a community draw, or we will spend money on it and those who don't use it will say it wasn't money well spent. Bite the bullet, finance it even with increased fees (free is ridiculous and out of date) and other means and get the whole plan done.	7/15/2016 9:27 PM
182	Thanks to Randy Rogers and his crew for the fantastic job they do with our facilities, programming, and staff at the AAC!	7/15/2016 6:28 PM
183	Money could be better spent on making Addison a better running, pedestrian and biking riding friendly city.	7/15/2016 4:43 PM
184	The committee should visit Cooper Fitness Center. They have done an excellent job of remodeling [2 years ago, I think] and maintaining a beautiful and highly functional facility.	7/15/2016 4:37 PM
185	thanks for including us	7/15/2016 4:35 PM
186	I would consider having a monthly due for the club to pay for the upgrades. I do not like the idea of increased tax simply because once a tax is increased, it never decreases. The issue with the monthly dues is you will need to be lower than what Crunch fitness charges otherwise you risk losing time members. We are building a "brand" in Addison with the work along Beltline and art work around town which I think is great. In order to be a destination, Addison has to separate itself from Plano, Frisco etc.. The upgrades to the AAC will help us in that effort. With the new development in the old Sam's Club location, it will bring new folks to the area that will want to join the AAC, especially with the upgrades. That's why I vote for a monthly dues program. Perhaps for the older residents on a fixed income a sliding scale is the best option.	7/15/2016 4:29 PM
187	This is not the time to take on another \$6.5 Million obligation. The Town has several large expenses hanging over it's head presently, to wit: \$6.5 Million obligation to Addison Groves Project \$30 Million to finish the Beltline Beautification Project ??? Million to settle the Water Tower wind charger litigation ??? Million to settle the Farmers Branch Creek litigation \$38 Million to repave Midway Road. "You spend a million here, and a million there, and pretty soon you spent a dollar or two"	7/14/2016 6:19 PM
188	Suits most of our needs. To ask all of Addison residents to fund a facility that less than .08% use is amazing.	7/14/2016 5:00 PM
189	I'd be much happier paying more if I could get more class options and at the affordable senior rate.	7/14/2016 2:11 PM
190	Despite its being dated, the facility continues to be an Addison jewel.	7/13/2016 5:21 PM
191	I would be happier if they just improved the A/C and added some new equipment in the weight room	7/13/2016 4:24 PM

## 2016 Athletic Club Master Plan

192	I look forward to updating the great asset we have, living in Addison. I just hope it will be open during the construction, so that we can use it, of course.	7/13/2016 3:20 PM
193	I am against spending any additional we do not have in our budget,lets finish the projects that we have already started.	7/13/2016 12:40 PM
194	Climbing wall would be great Committed space for older kids	7/13/2016 12:14 PM
195	the club is a great asset to the community	7/13/2016 12:13 PM
196	I cannot believe you are taking the last 2 racquetball courts out. You need to keep at least 1. Who was part if your focus group? A bunch of senior citizans who have no interest in R-ball?Going from 4 to 2 to 0 courts. Come on. Every time I'm up there in the evenings they are packed. When I come in the afternoons there are courts reserved. So I know the courts are being used. It is not wasted space the lobby doesn't need to be bigger. Bigger for what so people can SIT around doing nothing. And a cafe really? What a terrible idea, oh wait it's so people can SIT around do nothing. You have wasted space where the vending machines are us that for a lounge or cafe. If it ain't broke don't fix it! I would pay more for membership if you keep the courts. I also take classes up there, use the track, and treadmills. As I said the courts are almost always full with people waiting get on a court.	7/13/2016 11:59 AM
197	Well planned.-like the idea of game room-should be activities for all ages. Hope monies are approved for all changes Currently do not used health club-but there's always hope	7/13/2016 11:48 AM
198	Great in terms of increased security -- more centralized front-desk. Will the cost of this plan affect funds available for hiring a full-time security guard at AAC?	7/13/2016 11:24 AM
199	Such a big improvement. Question: What kind of timeframe is proposed for the changes? All at once? Would AAC be closed? For how long? What time of year?	7/13/2016 11:13 AM
